

Fire Core Engineering & Safety Induction (FCESI)

Please ensure you meet all of the pre-requisites before booking a course

| | |
|------------------------------|---|
| Purpose & Content | This combined course covers Safety Induction along with the Fire Core and Engineering Modules and provides the basic entry level requirement for many tasks within the LU environment, also being a pre-requisite for many of the track and protection safety training courses |
| Pre-requisites | As per the Joining Instructions in the relevant section |
| PPE | None Required |
| Course Duration | 1 Day |
| Success Criteria | Assessments require a Minimum 80% Pass Mark on each of the Course Modules |
| Certification | Certification for the Fire Core Engineering Module is valid for 2 years Certification for the Safety Induction Module is valid for 1 year, but can be renewed for a further year providing that it hasn't expired and that the delegate is still working in the London Underground environment |

Please ensure that you have all of the required documentation with you on the day of the course in order to be able to undertake the training event

Beverages, snacks and hot meals are available for purchase on site using a cash free system. Delegates will need to purchase £2 Pre-pay Card which is refundable after the event. Please ask our staff if you have any queries
